

# What's Up Woodlawn!

Brought to you by the WOW students

## Woodlawn Snack Shack

The WOW students have been busy planning a snack shack to raise money for Soups On. The WOW students have been learning about Soups On and the important work that they do for our community. Soups On gives us food to help kids in our school who do not have a lunch or a big enough lunch. Soups On gives us sandwiches, yogurt, pudding, juice boxes, granola bars, muffins, fruit snacks, and bananas. We learned that when we have enough food our brains work better. We will give them the money that we raise at the Snack Shack so that Soups On can buy supplies to feed hungry families and kids at school.

The Snack Shack will run from March 14-17 at lunch time. The grade 1s and 3s can go to the Snack Shack at 11:55 and the grade 2s and 4s can go at 12:25. We will be selling small chocolate bars, coloured marshmallows, Skittles, and Goldfish crackers. All items will cost fifty cents or one dollar. Students may spend one dollar per day.

See you at the Snack Shack Woodlawn!

By Grace & Dexter (WOW students)
