

CELEBRATING OUR EARTH IN HONOUR OF EARTH DAY :APRIL 22

Planet Earth "It's a Wonderful World" video link:

<https://youtu.be/auSo1MyWf8g>

Here are this week's activities:

Monday (April 16): **Spring Clean up** (the whole school helps clean up various things around the school/playground/neighbourhood (there will be more info and a sign up in the staff room).

Here's a link for a video of children from Japan cleaning their school, that some of our students have watched.

<https://youtu.be/jv4oNvxCY5k>

Tuesday: Get outside Challenge (teachers are invited to take their class outside for a period of exploration and/or play)

"Waste-less Wednesday": Litterless lunch (for every Wednesday in April we'll ask students and staff to try and minimize their waste by bringing reusable containers whenever possible)

Thursday: Classes are invited to have their **lights/electronics turned off** for the day or a portion of the day to help conserve energy.

Friday: Paperless day (teachers are challenged to teach without photocopying new worksheets), and to try to minimize paper usage.
