

### Animal Food and Supply Drive

The WOW students have planned an animal food and supply drive to take place between May 7-14. All of the food and supplies that are collected will go to Steinbach and Area Animal Rescue. Some of the items the WOW students are hoping to collect include:

- Cat and dog food
- Kitty litter
- New cat and dog toys
- New grooming items
- New blankets or beds
- New leashes or collars

Students can bring these items to school in the mornings. The WOW students will collect items from classrooms each morning and bring them to the office. On May 14, the items will be donated to Steinbach and Area Animal Rescue.

The WOW students thank you in advance for your support.

Shelley Amos & Karen Fraser
