**Step 3: Click on the Login on the top right hand side.**

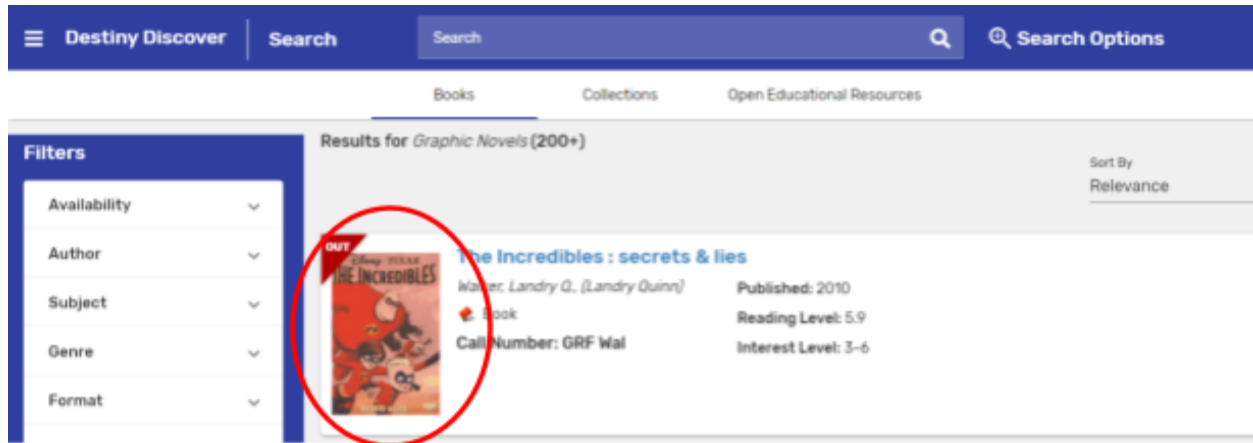

**Step 4: Search for a book by Keyword, Title, Author, Subject or Series. You can also click on the different icons to see books under specific genres.**

## Step 5: Determine if the book is available

**\*\*NOTE: If the banner is red and says out, this means the book has already been taken out. You will have to select a different book.**

The screenshot shows a library search interface. At the top, there is a navigation bar with 'Destiny Discover', 'Search', and 'Search Options'. Below this, there are tabs for 'Books', 'Collections', and 'Open Educational Resources'. The main content area displays search results for 'Graphic Novels (200+)'. On the left, there is a 'Filters' sidebar with categories like Availability, Author, Subject, Genre, and Format. The search results list the book 'The Incredibles: secrets & lies' by Landry Q. (Landry Quinn), published in 2010. The book cover is circled in red, and a red banner with the word 'OUT' is overlaid on the top left corner of the cover. The book's call number is GRF Wal and its interest level is 3-6.

**Step 6: If the banner is green you can put the book on hold. You can put up to 4 books on hold. Once you have put it on hold you can not remove the hold. You can email Mrs. Loewen to remove a hold for a book you don't want.**
